Dear Pastor/Church leader/Ministry leader,

Are your church members leaving? Would you like to get through to the married men in your church? Statistics show that about 50% of married “Christian” men get divorced. They are embarrassed to return to church. What is the divorce rate in your church? If divorce exists in your church you might have a problem. It could be an urgent matter.

My name is Michael Baez, I am a Christian author with a solution to the “divorce crisis” happening in our churches today.

My book is titled, "**How to Pick Your Bride and How to Keep Her For Life.**"

I believe that together with your partnership we can save not only current marriages but future marriages as well. I recommend you consider using my book in your men's church groups, men's retreats, and any other marriage based curriculum before they need it. Statistics show that 50% of married Christian men need this book. My opinion is **100%**

God Bless the marriages in your church,

Michael Baez
